

UK PALLET DISTRIBUTION

Fortec Pallet is our dedicated domestic distribution network specialising in time-critical and quality pallet distribution. With an extensive network of over 60 independent transport specialists we are the UK's leader when it comes to pallet distribution.

RANGE OF SERVICES

- **Next Day**
Fortec offer a next day delivery service operating throughout the UK, Ireland and the Channel Islands for all time critical consignments
- **Premium Service**
Our premium service is designed to speed up delivery further and offers an AM service for deliveries required between 9am- 12noon
- **Specific Timed Deliveries**
If delivery is required at a specified time, Fortec will ensure that your consignment arrives at the time requested
- **Saturday AM**
When a Monday delivery is too late, Fortec offer a Saturday AM delivery
- **Economy**
This standard 72hr delivery service is available throughout the UK for those not-so-urgent loads
